About us.....

World's Attic Thrift Shop has been in business for over 36 years and is operated by a group of area churches primarily affiliated with the Mennonite Church.

The business is supervised by an elected board and, other than two part-time managers, the store is staffed by volunteers.

Items are affordably priced and, in addition, there are many extra sale days. Sealed bids for a silent auction of unique or antique items are also accepted each month.

World's Attic exists to serve within the Somerset community as well as to support the work of Mennonite Central Committee (MCC) to which the net income realized from sales is given.

MCC is a worldwide ministry of Anabaptist churches, which shares God's love and compassion for all in the name of Christ by responding to basic human needs and working for peace and justice.

(More information about MCC is available at www.MCC.org).
