For Your Prayer Time

Pray for Laurelville Mennonite Church Center staff that they will show God’s love and care as they offer times of refreshment and renewal for those who attend fall retreats and gatherings.

Continue to pray for the Pinto Church Council and Elders as they plan our budget, search for a new church affiliation, and fill officers and committee positions.

Remember those who are ill and grieving.

:

Praise God as we remember and tell again of how He has delivered us from despair and gives us hope.
