### For Your Prayer Time

**Today is World Communion Sunday,** which reminds us of how the body of Christ is connected throughout the world. Pray for Christians of other denominations, cultures, and continents.

**Remember those whose hearts are very heavy** with sorrow, pain, and stress including those **who may hide their pain,** but need God's comforting and sustaining touch on their lives.

**Give thanks for the refreshing rain and the beauty** of the fall colors God provides in the changing of seasons.

**Ask God to help us remember** the life and teachings of Jesus as we remember his sacrifice for our salvation.
