For Your Prayer Time

Give thanks for the faith of youth and teens, and pray for those who teach, mentor, and demonstrate God's love for them.

Ask God's forgiveness for those missed opportunities to witness to or care for our neighbors, and ask for courage to make use of those opportunities in the future.

Remember those who are ill or recovering from surgery.

Thank God for the lives and witness of Les and Maxine Reall who celebrate Les' 91st birthday and their 69th wedding anniversary this week.

Praise God for His saving grace in moving us from death into life.
