For Your Prayer Time

Give thanks for the many who used their shovels, snowblowers, and vehicles to lend help and show God's love to their neighbors during the winter storm.
Pray for those who are feeling stress from medical issues..

Praise God for answered prayer in finding housing for the Finchum family and continue to pray for an improved outlook in their lives.

Ask God's blessing on the work in the Community Building and pray that it continues with safety so that the facility may soon be used by our members and those in the community surrounding us.

Pray that God's Spirit may continue to live in us so that we live as His beloved sons and daughters.
