**Announcements**

The building committee is happy to announce that we have passed the fire marshal inspection. We are excited to begin use of the building. The insert in the bulletin is a list of work that needs completed before we can begin use. We are asking the congregation for help to get these items finished up within the next two weeks. Feel free to stop in any time and work on any one (or many) of these items. Once the work is completed a date will be set for the final cleaning. Many hands to help in the cleaning will make the workload light. If we as a congregation are unable to get these last few items completed, then the building committee will need to hire help for completion. For questions/clarifications please contact Mark Monnett.

The church is in need of an assistant treasurer. If you feel that you could serve God in this position, please let any council member know.

Next Sunday, October 10<sup>th</sup>, we will have a covered dish picnic at the pavilion at 5:30pm followed by an outdoor movie shown in the pavilion at 6:30pm. Please bring a covered dish of your choice. Drinks and paper products will be supplied.
