Are you getting married or having a child soon? Family matters! If you are thinking about how your finances might need to shift to honor the new people in your life, visit everence.com/life-events.

Lester and Maxine were married February 5, 1947, in Oakland, Md. They moved to Pinto in 1953 so that Lester could be closer to his work at a kitchen cabinet manufacturer in Ellerslie, Md.

They often say how miraculous it is that their lives together have produced four children, who honor and love them are following the Lord – eight much loved grandchildren and seventeen great grandchildren who bring them joy in their senior years.

Another significant part of their testimony has been their experience with their Pinto church family. Whether it was participating in their beloved Sunday School classes, teaching Sunday School or Bible School, memories of participating in the Christmas Cantata, serving as an elder, or helping with maintenance of the building, old and new. They have always felt so much love and support in various ways from their brothers and sisters in the church.

Their legacy will be their life example to their friends, children and grandchildren of loving your neighbor, having high moral values and the value of hard work and doing it as unto the Lord. Their family says "Thank you mom & dad for walking the faith to the Glory of the Lord."
